CHARLES AND EVA MARIA  
ANDERSON ERICKSON

Charles Erickson was born February 2, 1875, at Heber, son of Eric and Anna Maria Erickson. He married Eva Maria Anderson on October 15, 1921. She was born on April 24, 1879, in Soderkoping, Sweden, daughter of John Peter and Eva Sophia Wahlquist Anderson. Maria died March 4, 1953, and Charles died September 14, 1958.

Eva Maria Althea Anderson came with her parents to Utah, arriving July 7, 1883.

She was a small, wiry girl, but that did not prevent her from doing all she could to battle the rigors of reclaiming the land from the wilderness for a home. She accomplished everything she undertook to do.

When she was 16 she worked in Park City and Salt Lake City.

and the crew. At the death of Mr. Burroughs she learned he was a brother of Edgar Rice Burroughs, creator of Tarzan.

On her return from Idaho, she attended the University of Utah, taking all studies that would permit her to enter a hospital at Loveland, Colorado, to train for a nursing career. After graduation she returned to Daniel and practiced nursing many years under Drs. W. R. Wherritt, H. Ray Hatch, B. A. and T. A. Dannenberg and Karl O. Nielson. Her wages were not much, but she did very conscientious work with her patients. Many times she was also the "mother" in her patient's home.

She was a beekeeper and enjoyed gardening and served for Red Cross drives for many years.

Always active in the Church, she worked in Mutual, was secretary of the Primary and a president of the Relief Society. She took part in many theatricals.

Her husband was a farmer and stockman. They were the parents of one son, Charles Fredric, born July 31, 1922, at Daniel.
